An Eloquent Letter.

tee of the Young Men's Democratic changed to suit the times.
Union Club, of New York, and contains The fact is our opponent the regrets of the writer at not being to carry the county by the importation able to participate in the grand demon- of voters from other counties where they stration at the Academy of Music in could spare them. At least one hun-

address a grand ratification meeting of given on that day. Some of these imthe Democrcy of the city and county of ported voters, on being asked under New York, to be held at the Academy oath, said they had come here on Sunof Music on the 6th day of October next. day; some had come to sell some things,

can I will, but the probabilities are Some were from Topeka, some from against it. At the last Presidential elec- Wakarusa, where they had claims; but tion, when the Union rocked as a toss- yet they considered this their residence, ed vescel in a storm, the Democracy of but did not know how long they would the city of New York, with firm nerves, stay-perhaps not longer than to-morunited purpose, sleepless energy, and row. Such men were told they had bet"iron will," rushed to the rescue; and, ter go back to their claims and vote as the gallant captain and his crew in where they lived. the late horrid tempest resolved to save the ship or sink beneath its keel, so did they to save the Union or to fall beneath its ruins.

No higher tribute can be paid to patriota; no greener wreath be woven for freemen's brows than such as belong to those who achieved the brilliant triumph | in order that their imported voters might which was then achieved by you. In claim a residence here and vote. Our your note of invitation you speak of the predictions have been verified. These cordial reunion of all true Democrats, fellows have attempted to carry out what and a termination of all past differences. Gentlemen, this is expected of you. It must be so, and will be so .-Every dictate of patriotism, every impulse of duty prompts to such an end. Look to your country!-safe, prosperous, and happy in Democratic hands .--Look to a Union saved, and saved in pirt by your fidelity; and look to coming days, when mayhap the cohorts of liberty may again be called upon to fight the battles of the Constitution.

Your next election, it is true, is purely local; but then, local as it is, it will have a general bearing. Never, then, allow it to be said of you that by local discord you have done a wrong to those whom you helped to elevate, and of whose administration you feel so justly

If I should not be with you, please The City of New York-"The first manicipality on the continent," and at some future day the first municipality of the world:

The last election proved what the Democracy could accomplish when unisted and resolved. Let the next, by a still cordial union and a fixed resolve of all true patriots, brighten the lustre of their their then glorious achievement. I have the honor to be, with great respect, your friend and servant.
